Dear Potential Community Partner,

At Richey Elementary, we are working to build an enriching environment for our staff, students, and families. We are reaching out to offer you and your business an opportunity to advertise to with a banner on our perimeter fence to help us reach this goal.

A banner to advertise your business on our perimeter fence is a great way to promote your business. The banner will be placed on fencing surrounding our campus based on your rating and available space. Our school enrollment is around 750 students, and our car loop sees around 320 cars twice daily for 180 school days beginning in August and ending in May as well as 100+ employee cars. Each sponsorship level includes your business information being shared on our social media accounts and website. Our virtual reach across all social media platforms is over 2,900.

As a Title 1 School, with 90%+ of our students qualifying to receive free or reduced lunch, the funds from the sponsorship donation will enable us to reach our goal to facilitate building a sense of community to benefit the neighborhood, city, and county as we work to educate world changers. As a sponsor, we would also invite you to set up at any events happening on-campus for you to make that face-to-face connection with the staff, students, and families.

Enclosed you will find more information about partnership levels. Your charitable partnership donation is tax deductible. We hope you will find something that works for you and your business as we would love to partner with you.

If you have any questions or need clarification, please contact Nicole Christensen at (727) 774-3508 or via e-mail at NCHRISTE@pasco.k12.fl.us.

Thank you for your consideration,

Nicole Christensen
