

2024-2025

We currently have parent openings on the Richey Elementary School Advisory Council (SAC). All parent representatives are to be elected by the parents of Richey Elementary students. Members may serve up to a two-year term.

A School Advisory Council (SAC) is a link between the school and the local community. It provides for active participation by the various shareholders in the school community in identifying critical student needs and developing goals and plans for meeting those needs. This is a wonderful opportunity to be involved in school decision-making and gain firsthand knowledge about our school's progress and goals. As a parent representative you would serve as a voice for other parents in our community.

If you would like to nominate yourself or someone else for Richey Elementary School Advisory Council, please complete this nomination form and return it to your child's teacher/front office. **You need to discuss the nomination with the individual you are nominating to make sure that your nominee is willing to serve if elected.**

All nomination forms need to be returned by September 6th. We will only hold an election if needed.

Our first SAC Meeting is Monday, September 16th, from 8:40 AM-9:15 AM.
